

Hippo Stew

1 Hippo
2 Rabbits (optional)
1 pkg. Salt
1 pkg. Pepper
Brown Gravy Mix

Cut hippo into small bite-size pieces. This should take about 6 weeks. Add enough brown gravy to cover. Cook over a kerosene fire for about 4 weeks at 465 degrees. This will serve 3,400 people. If more are expected, 2 rabbits may be added. But do this only if necessary, as most people do not like to find hare in their stew.
