

Vanilla Pudding

3-1/2 oz. pkg. Instant Vanilla Pudding
2 cups Cool Water
2/3 cup Dry Milk Powder
4 Tbs. Crumbled Almond Toffee

Pour the contents of the pudding pouch into a small saucepan (or plastic bowl, if you carry one). Add the milk powder & blend. Stir in the cool water & beat with a wire whisk until the mixture is smooth & beginning to thicken. Divide the pudding into 4 equal portions & let stand 5 minutes. Top with crumbed almond toffee & serve.

Chocolate Coconut Pudding

3-1/2 oz. pkg. Instant Chocolate Pudding
2 cups Cool Water
2/3 cup Dry Milk Powder
4 Tbs. Coconut

Combine the pudding mix & milk powder. Add the water & blend well. Beat with a wire whisk until the mixture begins to thicken. Add the coconut, divide into 4 equal portions & let stand 5 minutes before serving.

Pistachio Pudding

3-1/2 oz. pkg. Instant Pistachio Pudding
2 cups Cool Water
2/3 cup Dry Milk Powder
4 Tbs. Trail Mix, Nuts, or Coconut (optional)

Combine the pudding mix, dry milk powder, & add the water. Blend well with a wire whisk until the mixture begins to thicken. Pour 4 oz. servings into 4 bowls & let stand 5 minutes. Top with trail mix, nuts, or coconut & serve.
