

Apples and Bananas

I love to eat, I love to eat,
Eight apples and bananas.
I love to eat, I love to eat,
Eight apples and bananas.

(Now use the 'long vowel' sound for 'a', 'e', 'i', 'o', 'u'
in place of each vowel in the song. As in:)

A lave tay ate, A lave tay ate,
Ayght ayples aynd banaynays.
A lave tay ate, A lave tay ate,
Ayght ayples aynd banaynays.

E leave tee eat, E leave tee eat,
Eat eepples eend beeneenees.
E leave tee eat, E leave tee eat,
Eat eepples eend beeneenees.

(And so on for 'i', 'o', & 'u'.
Then finish with the regular way one more time.)

I love to eat, I love to eat,
Eight apples and bananas.
I love to eat, I love to eat,
Eight apples and bananas.
