

The Root Beer Song

(Sing to the tune of: "Do-re-mi")

Do (Dough) - I use to buy my root beer,
Re (Ray) - The guy who pours my root beer,
Mi (Me) - The guy who drinks my root beer,
Fa - A long way to the john,
So - Let's have another root beer,
La - Let's have another root beer,
Ti (Tea) - No thanks, I'm having root beer,
That's why I have no
dough, dough, dough, dough.

(repeat)
