

Tip-toe Through the Tent Pegs

(Verse 1 & 3 are to the tune of 'Tip-toe through the Tulips'
and verse 2 is to the tune of 'White Christmas'.)

Tip-toe, through the tent pegs,
Through the tent pegs,
To the lavat'ry,
Come tip-toe,
Through the tent pegs,
With me...

'Cause I'm dreaming of a flush toilet,
Just like the one we have at home!
With a silver chain,
And a proper drain,
And somewhere for it all to go...
So...

Tip-toe, through the tent pegs,
Through the tent pegs,
To the lavat'ry,
Come tip-toe,
Through the tent pegs,
With me.
