## Good Turn for America Meeting the challenges of the 21st Century.

## Eagle Projects may be reported as Good Turn for America projects!

What began with a singular act of service on a foggy London night quickly evolved into daily Good Turns and then into more encompassing national initiatives. These have included selling war bonds, collecting rubber and scrap metal, growing victory gardens during World War II, and more recently, Scouting for Food.

Scouting now has the opportunity to raise our levels of community service and increase awareness of the Scouting program within our neighborhoods as we focus on three areas of common concern: relief from **hunger**, lack of **housing**, and a decline in **fitness** in America. We will do this together as a nation as we all participate in the Good Turn for America campaign.

**Your Eagle Scout Service Project**, if it benefits the community in one of these three areas, can be part of the nationwide Good Turn for America campaign!

Your Eagle Project may qualify as a Good
Turn for America project. If so, we hope you will report your
Eagle Project on the www.goodturnforamerica.org
website. Your project will be combined with thousands of others
in our report to the Nation next February, and your service hours will be part of that

- 1. Complete your Eagle Service project. If it benefits the community in areas of FOOD, SHELTER, or HEALTHY LIVING, it's reportable as a Good Turn for America project!
- 2. Ask your Scoutmaster to have your Eagle Project reported on the new national website. If your troop hasn't set-up it's own password yet, you'll need the initial log-in password assigned to your troop. Your Scoutmaster can get this from the council service center or the district executive. Troops are encouraged to give one adult responsibility for reporting troop service.

For more information, please contact the Cascade Pacific Council Volunteer Service Center at (503) 226-3423, or visit www.goodturnforamerica.org.
